

HOW YOU WEAR HAT KEY TO CHARACTER

Character reading by hats is a new and interesting pastime.

The girl or woman who wears her hat firmly and squarely is called the girl or woman who has determination and ability to do things and does them.

The girl with a flabby hat set so

it seems ready to blow off any minute is said to be of the butterfly variety, without aim or ambition. Hat at a dangerous angle means the wearer is liable to be fickle and to like flattery.

She with the bonnet tilted back on her head, according to fans in char-
